If you are one of the attendees, ensure that the box is checked next to “Assign one of these tickets to yourself.” Click on each Guest to enter their information. Note: If you do not know who else will be attending yet or if you do not have their contact information, please update the information prior to the event (your guests will be sent an email containing their ticket and online access link). We ask that all guest information be completed prior to the event in order to cut down on the check-in line for all of our guests attending the event.
